

PATRON PROPOSAL

This document shares how you can be a blessing to thousands people across the world by coming onboard as a patron.

ABOUT BARRY MINISTRY

Barry and the Kingdom Vessels are a group of believers who are devoted to distributing the message of the Kingdom of God to the world through music, word, and fellowship. Our mission is to spread the reality of God's kingdom and to increase its population by any means possible.

We do this by stirring up a hunger and desire for the things of God through the songs we sing, messages we share, and the events we organize. We have been doing this for the past nine years.

Barry and the Kingdom Vessels over the years have produced and circulated three music albums and organized many events, among which include the monthly Spirit and Truth worship sessions, the "Weight of His Glory" concerts, among others.

We are in the process of creating a community of God-chasers who will desire to dwell in the presence of God continuously.

WHAT WE DO?

To achieve our aim as a music ministry, we have engaged in different kinds of projects over the years.

Worship Sessions

On a monthly basis, we gather believers for 'Spirit & Truth' Worship Sessions.

Word Ministrations

Through the leadership of Rev. Barry Neequaye, we discuss scriptural themes and topics.

Music Projects

We regularly record and release music projects and videos as per God's leading.

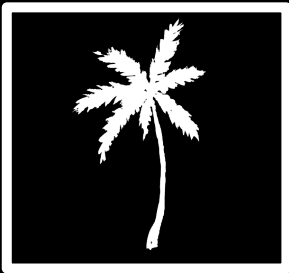

These projects cost a lot and we have relied on gifts and internal dues that we contribute to execute these projects. Moving this project to the next level, we will need partners who believe in the work we are doing to support us financially along this journey.

On our own, we raise funds through the sale of merchandise (t-shirts, and digital sale of the music projects we do)

In this season, we would love to have you come on board as a patron, to help us cover the costs of running this ministry. That is, covering the cost of rehearsals, recording, video production, audio production, and digital distribution.
